RE: Case 10601

Dear Mr. Anderson,

The California Department of Transportation (Caltrans) has completed its investigation of your ADA access request. Caltrans proposes to initiate a small project to include the following improvements:

- Curb ramp at the northwest corner of Qualcomm Way and Camino Del Rio North
- Curb ramp at the southwest corner of Qualcomm Way and Camino De La Reina
- Sidewalk on southbound Qualcomm Way between Camino De La Reina and Camino Del Rio North
- 70 feet of sidewalk on westbound Camino Del Rio North beginning at Qualcomm Way
- 70 feet of sidewalk on eastbound Camino De La Reina beginning at Qualcomm Way

This proposed project has an anticipated construction date of spring 2018.

If the proposed resolution does not address your access request, you may file a written appeal within 15 business days. If there is no appeal, Caltrans will deem the resolution as acceptable and proceed with the proposed project.
